ASSIGNMENT OF PATENT AGREEMENT

This Assignment of Patent Agreement is made from Nortel Networks Limited, a corporation duly incorporated under the laws of Canada, having its executive offices at 8200 Dixie Road, Suite 100, Brampton, Ontario L6T 5P6 Canada, ("Assigning Party") to ANDREW CORPORATION, a corporation duly incorporated under the laws of Delaware having its executive offices at 10500 W. 153rd St., Orland Park, Illinois 60462, on its behalf and on behalf of its Affiliates (hereinafter ("Assignee"). Capitalized terms used herein but not defined herein shall have the meanings set forth in the Contribution Agreement.

WHEREAS, Assigning Party and the Assignee have entered into an Asset Purchase Agreement dated as of August 29, 2005 (the "Purchase Agreement"), for the sale by the Assigning Party to the Assignee of certain assets and an assumption by the Assignee of certain liabilities of the Assigning Party; and

WHEREAS, in connection with the Contribution Agreement, the Assigning Party desires to assign to the Assignee, and the Assignee desires to acquire, all of the Assigning Party's right, title and interest (except for license rights retained by Assigning Party as set forth in the Intellectual Property License Agreement) in and to the patents, pending patent applications and invention disclosure submissions, and the inventions described and (as applicable) claimed therein, set forth in Schedule A hereto (collectively, the "Patent Assets"); and

WHEREAS, Assigning Party and the Assignee have entered into an Intellectual Property License Agreement dated as of August 29, 2005, wherein the Assigning Party retains certain rights n the Patent Assets.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assigning Party and Assignee are entering into this Assignment of Patent Agreement ("Assignment of Patent Agreement") and hereby agree as follows:

- 1. Assignment of Patents. Except for certain rights retained pursuant to the Intellectual Property License Agreement, the Assigning Party hereby sells, assigns, sets over and transfers to the Assignee all of the Assigning Party's right, title and interest in and to the said Patent, and in, to and under any and all Letters Patent which may be granted on or as a result thereof, and any re-issue, re-examination or extension of said Patent, and in and to any and all priority rights, convention rights and other benefits accruing or to accrue with respect to the filing of applications or patents or the issuance of patents in all countries in respect of the said Patent, the same to be held and enjoyed by the Assignee, its successors, assigns, nominees or legal representative, to the full end of the term or terms for which said letters patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by the Assigning Party had this assignment, sale and transfer not been made. The Assigning Party hereby authorizes and requests the Commissioner of Patents of the United States of America and any official of any country or countries foreign to the United States of America whose duty it is to issue patents on applications as aforesaid, to issue to the Assignee, any and all Letters patent for the said patents, which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this Assignment of Patent Agreement.
- 2. <u>Further Assurances.</u> At Assignee's expense, and upon Assignee's written request, the Assigning Party agrees to perform all further acts and execute and deliver all further

documents and/or instruments which may be reasonably necessary to carry out the provisions of this Assignment, including without limitation, cooperating fully with Assignee to perfect the transfer of the Patent hereunder, and, if appropriate, to assure that the patents are properly recorded at any appropriate administrative agency, including but not limited to, the Unites States Patent and Trademark Office.

- 3. Governing Law. This Assignment of Patent Agreement shall be governed by and enforced in accordance with the laws of the State of New York and the laws of the United States of America applicable therein.
- Successors and Assigns. This Assignment of Patent Agreement shall be binding on, and shall inure to the benefit of, the parties hereto and their respective successors and assigns.

IN WITNESS WHEREOF, the Assigning Party and the Assignee have caused this Assignment of Patent Agreement to be executed by their authorized officers on this day of August 29, 2005.
